Below you will find all titles of all info pieces in this files & please note any info piece containing the name of the author means that author retains all copy rights to that piece & they may not be copied, published or otherwise used without express permission of the author.

If you do have to use a phone/device then Apple is better than Android & in either case, you might need to add a PDF reader app & use the swipeable menus & check the download files and/or folders for each info piece & if that fails then you need to learn how to fly your phone/device properly & if you really get stuck with an unsolvable problem, just go to the 'About' section of the group & click or tap on the profile for Steve Robinson & send me a PM & I'll help if I can.

If you find you're struggling to find your way through the maze of information in either this index or the files in general, please feel free to PM group admin Steve Robinson for further help & explanation & if you feel the research is simply too daunting for you to work through then read Operation Payback Or How To Navigate The Immigration Minefield & PM Steve Robinson (group admin) for further details.
